HICKS FOR APRIL.

The perturbing power of the earth's vernal equinox is central on the 10th, being a disturbing factor from the last of March to near the end of April, while the Jupiter disturbance is central on April 23rd, covering the whole month and year with its aggravating influence over all terrestrial meteorology. The first regular storm period for April extends from March 31st to April 5th, with high temperature in most parts with low barometer and rain, hail and thunder about the 1st to the 4th. Dangerous tornadoic storms need not surprise careful readers of these forecasts at this time. Very cool weather will follow on the heels of this storm period from the 4th to 7th. On the 8th or 9th look out for warmer weather and heavy April rains in many sections from west to east. The 12th to the 15th constitutes a regular storm period during the equatorial passage of the moon on the 15th, and new moon in various parts on the 15th. On Monday, the 15th, look out for vicious, electrical storms and dangerous winds, with a reactionary storm period on the 19th, 20th and 21st. Every reasonable precaution against disastrous hail storms should be taken at this and other April periods. Another dash of high barometer, cold winds and frosty nights northward will be the order behind the storm conditions of this period. From the 25th to the 28th it will be wise to anticipate storms of much energy during the Mercury period, which generally is characterized by much cloudiness and drizzling rains. In extreme northern parts there is a possibility of rain, snow and sleet in the last part of April. We predict the month will bring many extremes of very warm and quite cold weather. Rains will be sufficient generally, amounting to cloudbursts frequently, two wet for lowlands.

ES STOMACH REMOVED.

One of the rarest operations in surgical science, known as gastrostomy—the entire excision of the stomach—was performed yesterday at the German Hospital in Brooklyn. The patient was Jacob Wichmann, a German, 68 years old, who came to Berlin and other cities of Europe, but who until now has found no one who was willing to perform the operation for him. The man was on the operating table from 3 o'clock until 11 o'clock, and the operation was viewed by some of the most eminent physicians of Manhattan and Brooklyn. Wichmann was under the influence of anæsthetics, and when the surgeons had finished their work he rallied, and the operation is pronounced a success. The abdominal cavity was opened and after a thorough examination the entire stomach was removed. This involved the separation from the two main channels—the œsophagus, through which the food enters the stomach, and the pylorus, or outlet of the stomach into the intestines. The pylorus was then attached to the œsophagus. The patient will be fed with liquid food which has been predigested. Wichmann had cancer of the stomach, and his case was incurable. Dr. Fowler had announced that unless the man was operated on he would starve to death. Arrangements had been made to perform the operation two weeks ago, but Wichmann's son objected. He finally consented to the operation.

A Good Cough Medicine for Children
"I have no L-siancy in recommending Chamberlain's Cough Remedy," says F. P. Moran, a well-known and popular baker, of Petersburg, Va. "We have given it to our children, when troubled with bad coughs, also whooping cough, and it has always given perfect satisfaction. It was recommended to me by a druggist as the best cough medicine for children as it contained no opium or other harmful drug." Sold by Richard Gibson, druggist.

WHILE THERE IS LIFE THERE IS HOPE.
I was afflicted with catarrh; could neither taste nor smell and could hear but little. Ely's Cream Balm cured it.—Marcus G. Shantz, Rahway, N. J.
The Balm reached me safely and the effect is surprising. My son says the first application saved my life. It has always given perfect satisfaction. It was recommended to me by a druggist as the best cough medicine for children as it contained no opium or other harmful drug." Sold by Richard Gibson, druggist.

Like Oliver Twist, children ask for more when given One Minute Cough Cure. Mothers endorse it highly for cough. It quickly cures all coughs and colds and every throat and lung trouble. It is a safe, reliable remedy for whooping cough.

BREAD.

CORBY'S MOTHER'S BREAD

DELIVERED IN ALEXANDRIA DAILY.
Corby's Mother's Bread is "homemade" in every sense of the word, except literally. Made from the best flour, and is pure and wholesome. Scientific machinery and a patent dough mixer develop every particle of the nutrition in the flour and produces bread that is superior to any other.

It has a larger sale in the city of Washington than any other bread and is meeting with an increased demand every day in Alexandria. Your grocer has it, or will obtain it for you.
Insist on having "Corby's Mother's Bread" and accept no substitute.
Delivered in Alexandria daily.

CORBY'S MODERN BAKERY.

DRANK SHARK'S BLOOD—The Norwegian bark Andromeda has landed at Capetown with part of the crew of the French bark Psyche, they having been picked up in mid-ocean after having undergone terrible sufferings. The Psyche, which was bound from Caleta Bueno for the English channel, was wrecked on January 30. The captain and thirteen men entered a large boat and the mate and five men a small one. The next day a sail was sighted and the mate's boat attempted to reach it and never returned. Several other ships were sighted, but the shipwrecked men were unable to attract their attention. The rough weather increased the sufferings of the men. When the small supply of food was exhausted a shark was caught and the men drank its blood. The cook died insane and a sailor also succumbed.

BEWARE OF IMITATIONS FOR CATARRH THAT CONTAIN MERCURY.
As mercury will surely destroy the sense of smell and completely derange the whole system when entering it through the mucous surfaces. Such articles should never be used except on prescriptions from reputable physicians, as the damage they will do is too often to the good you can possibly derive from them. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, contains no mercury, and is taken internally, acting directly upon the blood and mucous surfaces of the system. In buying Hall's Catarrh Cure be sure you get the genuine. It is taken internally, and made in Toledo, Ohio, by F. J. Cheney & Co. Testimonials will be sent free. Sold by Druggists, price 75c per bottle. Hall's Family Pills are the best.

A lingering cough following grippe calls for One Minute Cough Cure. For all throat and lung troubles this is the only harmless remedy that gives immediate results. Prevents consumption.
